

**„Neither do people light a lamp and put it under a bowl.
Instead they put it on its stand,
and it gives light to everyone in the house”**

(Matthew 5:15)

University of Szeged - ELI Science Park

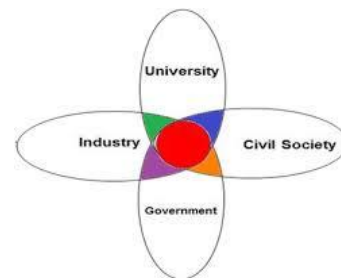

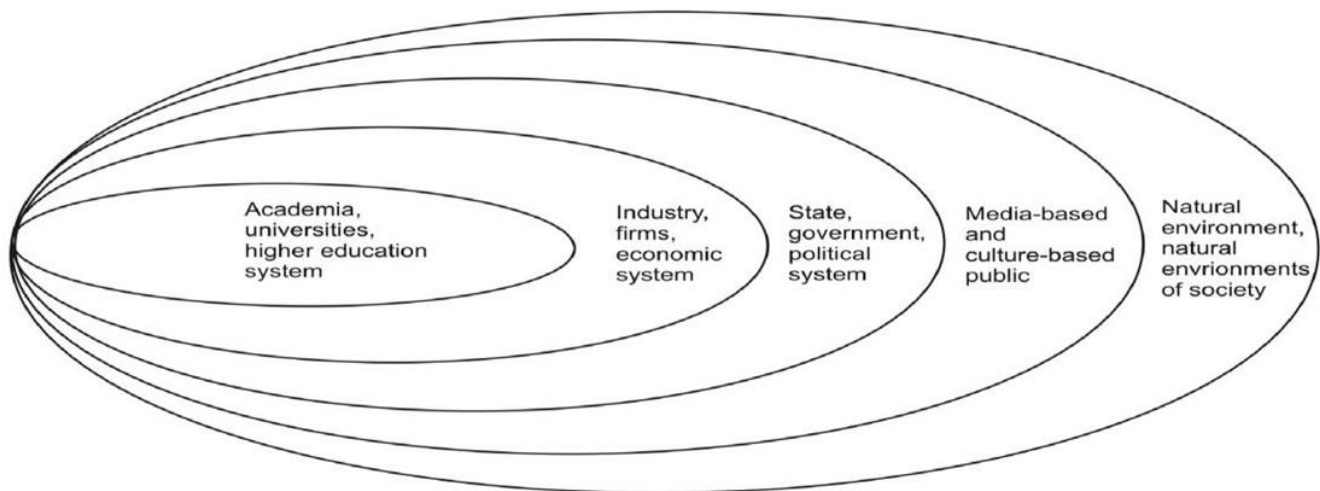

Presenter:

Assoc. Prof. Ildiko Csoka
Director General for Strategy

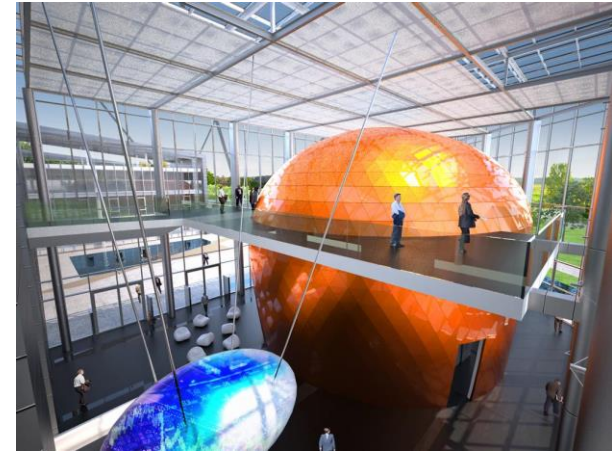

S3: Knowledge region – Csongrad county

- Szeged-Hódmezővásárhely economic development zone
- Triple border (Romania, Serbia)

Extreme Light Infrastructure Attosecond Light Pulse Source = ELI-ALPS

- Identified and selected by
 - the European Strategy Forum on Research Infrastructures (ESFRI)
- the world's 1st international laser research infrastructure
 - University of **Szeged**,
 - University of **Prague**
 - University of **Bucharest**

- support of **60 billion HUF** from **EU**

The Extreme Light Infrastructure
European Project

USz - Research/Innovation/Technology/Business park

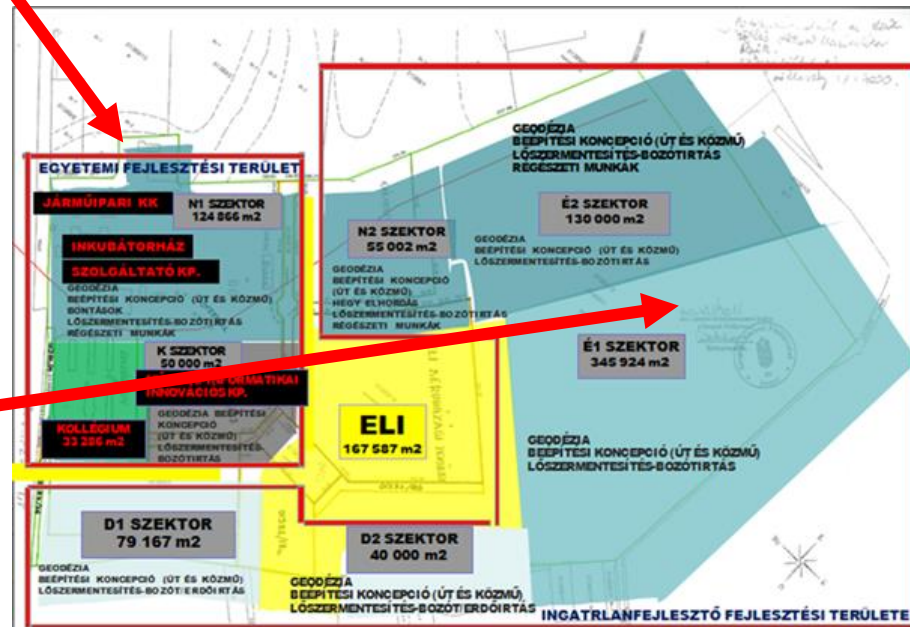

- **20/80 ha USz developments with governmental support**

- 3rd mission of USz (incubation services, start-up support)
- Outplaced locations for structural development of the USz engineering/technical/IT education & research

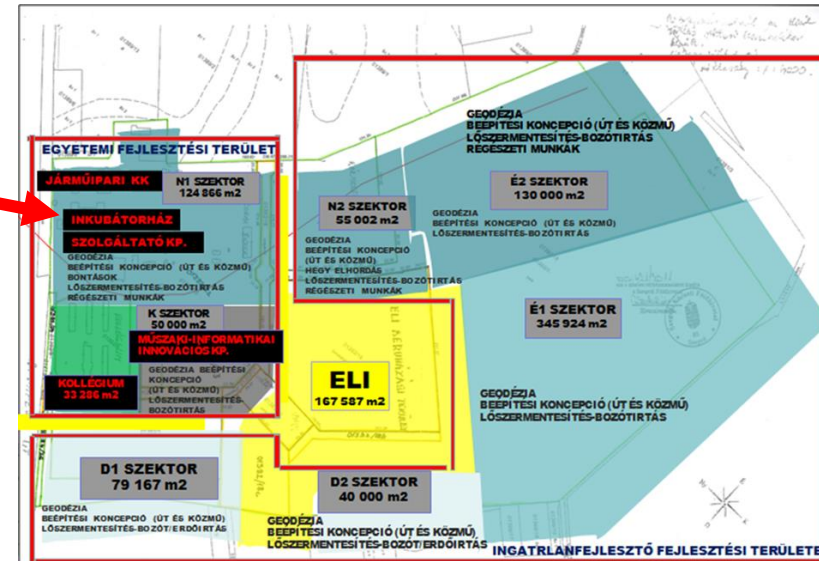

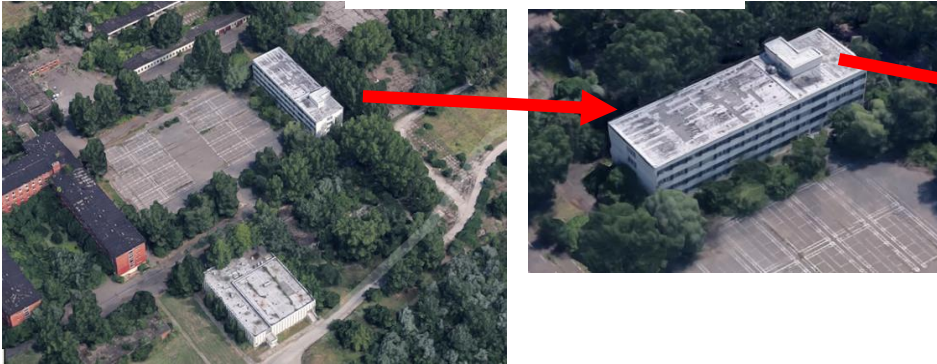

- **60/80 ha business based growth**

- Innovative small-, medium enterprises, SSC partners
- Business incubators

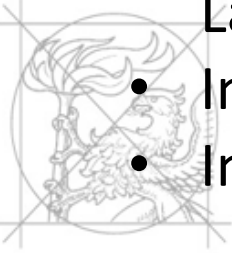

Geographical connection: USz & industry/business actors

USz projects – Incubator house

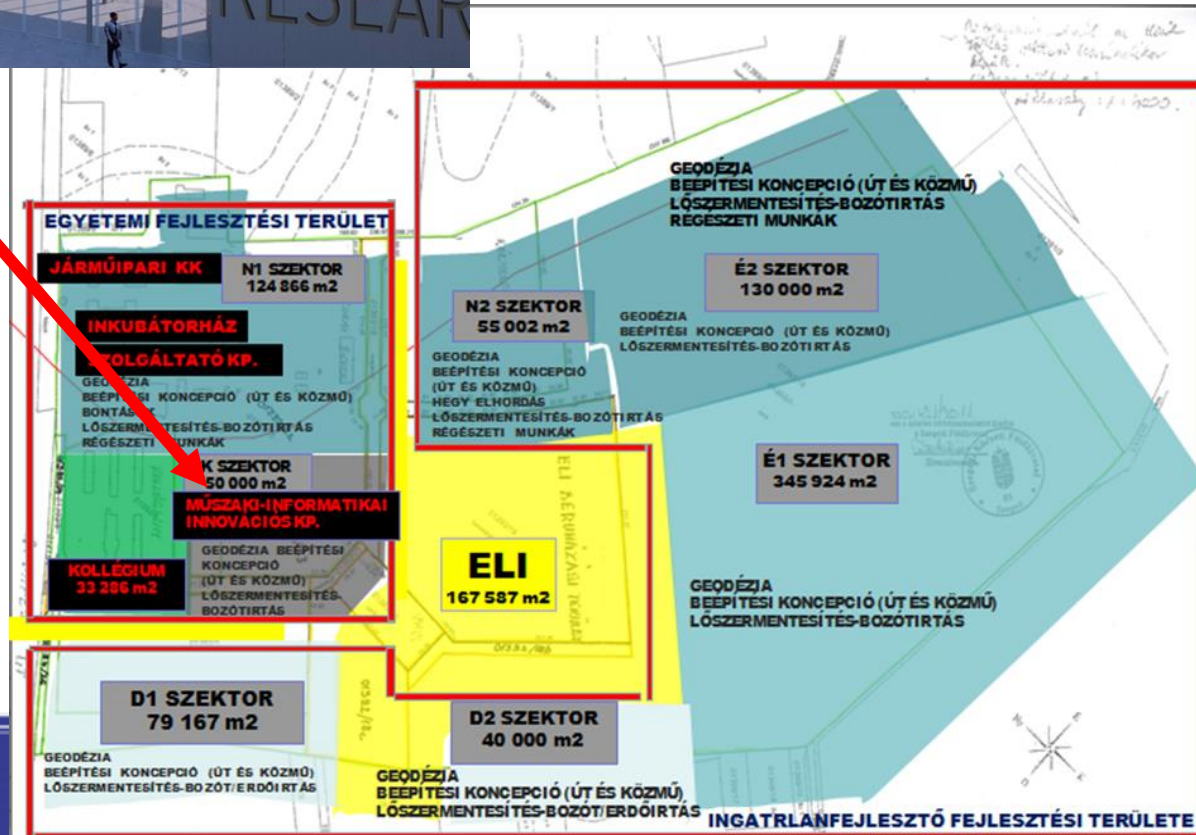

- Site of:
 - **Hungarian Center of Excellence for Molecular Medicine (HCEMM)** - in partnership with European Molecular Biology Laboratory (EMBL)
 - Innovative enterprises: micro, start-ups and spin-offs
 - Innovation and technology transfer offices

USz projects - Technological and Innovation Centre

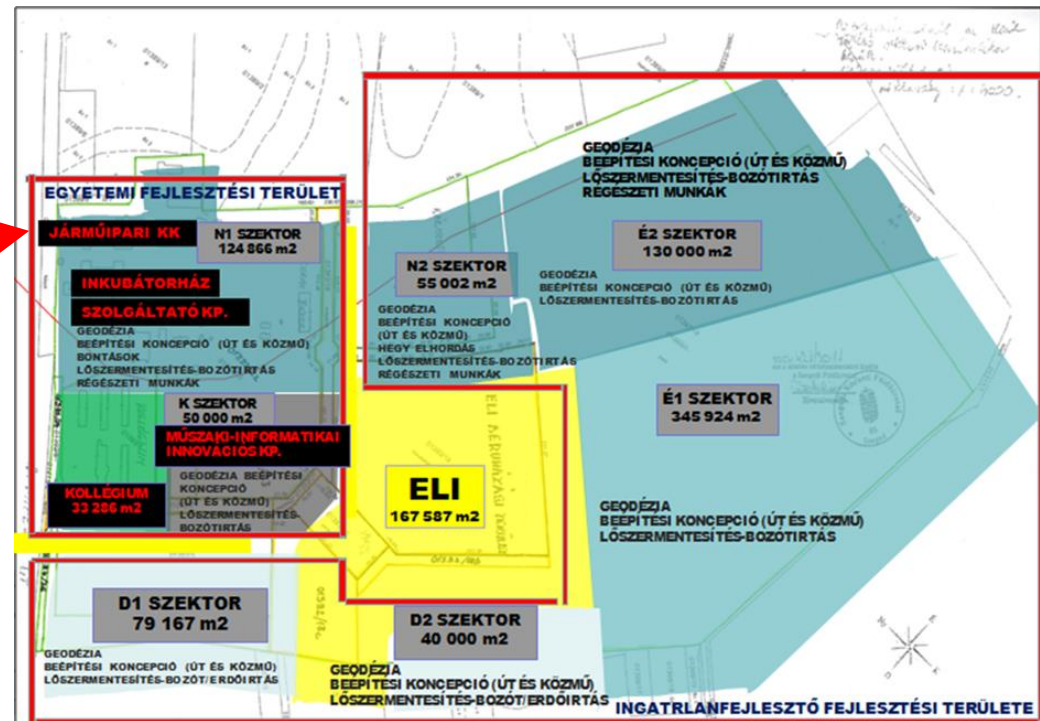

- Site of:
 - USz engineering/IT education & research centre
 - Innovative enterprises
 - Further HCEMM research groups
 - Knowledge – Transfer Centres

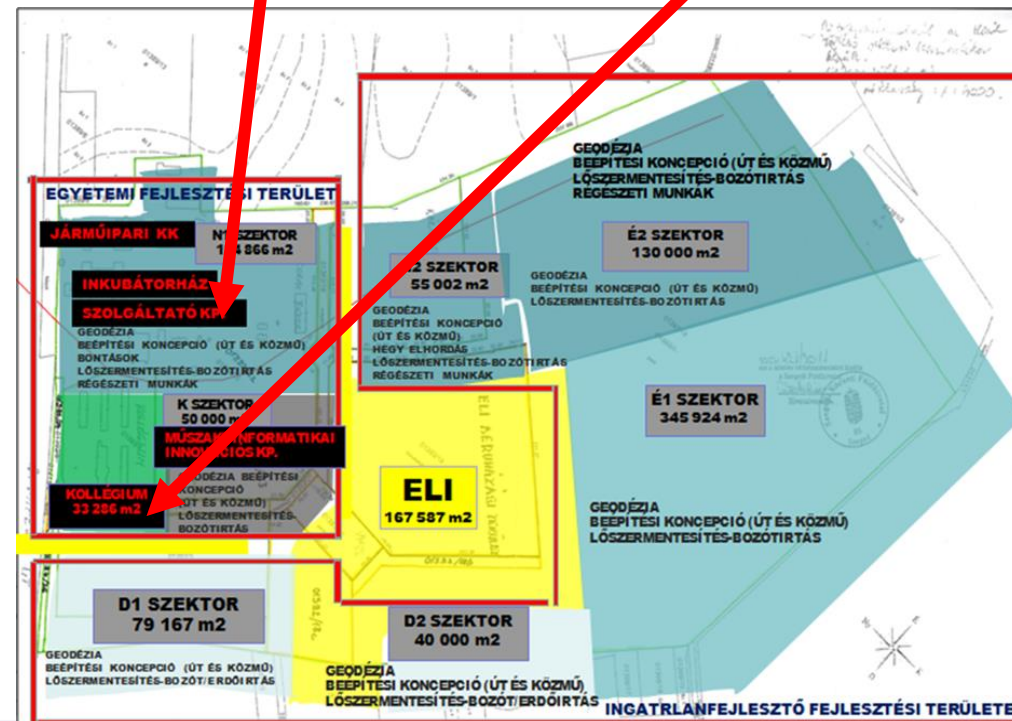

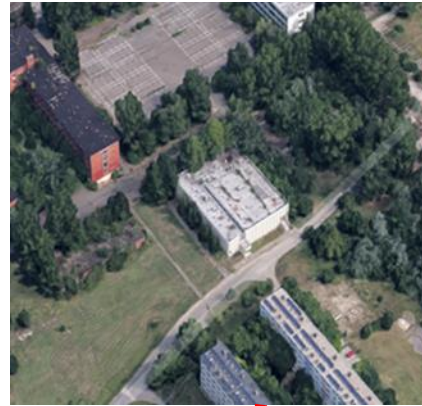

Sustainable Mobility (Automotive) Competence Centre

- Joint EFOP grant with the University of Kecskemét
- R & D activities – e-mobility

Development of Campus management

- Campus development
 - Campus Management, Logistic and Service Centre
 - Students'/Researchers' flats and services

**Thank you for your
kind attention!**
